Due to planned maintenance, the CITI Program website will be unavailable on Friday, September 27, 2019, from 10:00 a.m. to 10:00 p.m. U.S. Eastern Time (6 p.m. to 10 p.m. U.S. Pacific). We apologize for the inconvenience.

Enter your UL Lafayette login credentials and click “Sign In.” Complete your profile and provide information for any security question requirements.

All courses are provided free of charge to all faculty, staff and students. You do not need to pay for any courses unless you want professional continuing education credit to fulfill a professional society requirement. It is your responsibility to pay for those.

The image shows the 'Secure Login' page for the University of Louisiana Lafayette. At the top is the university's logo and name. Below that is a 'Secure Login' header with a lock icon. A message states: 'This secure site uses UL Lafayette credentials to allow students, faculty and staff to access various systems used on campus, such as Ulink, Moodle, and Webmail.' There are two input fields: 'Username' and 'Password'. Below the password field are links for 'I forgot my password' and 'Activate my account'. At the bottom is a large 'SIGN IN' button.

The Course selection page has many courses and webinars that you may select. Each course contains multiple modules. Most modules in the initial courses take about 1 hour. Refresher modules may be shorter. Courses may be completed over multiple sessions. You may exit a course and return to it after the completion of each module, if needed. If you have any questions about which courses you should take, contact the Research Integrity Office for guidance.
